

QuotePro

SIMPLIFY PAYMENTS FOR YOUR CUSTOMERS

KEY FEATURES

QuotePro Cashiering Kiosks offer the safety, security, social distancing, and reliability of a traditional bank ATM. Our kiosks can accept payments for many different industry applications.

Customers may pay their bills in cash and may also be dispensed cash refunds. They can connect to a live customer service representative via our video chat recording services.

Our kiosks accept all cash, card and check payments and can even make change to the dollar or penny. Indoor and outdoor models are available.
